

A letter from a constituent:

Good morning/afternoon,

I'm reaching out because I, along with some other concerned Missouri citizens, heard about Fred Wellman's mismanagement of his finances, and we feel that no one's talking enough about it. He's running for Congress in our district, District 2, and people deserve to know who's running to represent them. I've dived deep into Fred's financial past, all of which is available in public records (included at the end of this document), and compiled my findings in this document. We feel it's the media's duty to share this. We can only do so much to warn our neighbors about this, and we need your help. Please consider looking into what I've sent and into Fred Wellman. I sincerely believe he's gone to great lengths to cover up his past, which is why I have written this email. District 2's people deserve to know the truth about this man, who claims he will represent my interests in Congress. But how can he do that when he's already hiding so much from us?

Thank you for your time.

Fred Wellman, candidate for Missouri's 2nd Congressional District, is NOT capable of managing finances, including his 2 bankruptcies for \$1,018,453.76, Tax Liens which appear to be unrelated to the bankruptcies covering seven (7) separate years of unpaid taxes totaling \$314,126.25, with all occurring over the span of 26 years with the most recent liens being for tax years 2017 and 2020.

The question for our voters is:

If Fred Wellman has decades of history of not being capable of managing his own finances, then why should ANYONE think he should go to Washington to manage OURS?!

Fred Wellman's long history of extreme financial mismanagement makes him unelectable!

Fred Wellman has a long history of **poor money management**, both in his personal and professional dealings. For **nearly 30 years**, Fred has struggled with fiscal responsibility. This has resulted in the following **two bankruptcies**:

- Feb 24, **2003**, **Fred Wellman** filed for his **First Bankruptcy** with the United States Bankruptcy Court of the Middle District of Tennessee for **\$303,324.76**. (*Attached*)

- July 28, **2020**, **Fred Wellman** filed for his **Second Bankruptcy** with the United States Bankruptcy Court for the Eastern District of Virginia for **\$715,129.00**.
(Attached)

Fred Wellman has **26 Years** of failing to cover his tax responsibilities, as evidenced by the following **Tax Liens for 2000, 2010, 2011, 2012, 2016, 2017, and 2020**.

- **Fred Wellman** received his **First Tax lien**, invoked by the **Georgia Department of Revenue**, and filed against him in Fulton County, GA, for **\$2,961.64**. This was for tax year **2000**. *(Attached)*
- September 3, 2014, **Fred Wellman** received a **Second Tax Lien**, invoked by the **Federal Department of the Treasury**, and filed against him in Stafford County, VA, for **\$94,786.80**. This was for tax years **2010, 2011, and 2012**. *(Attached)*
- March 26, 2019, **Fred Wellman** received a **Third Tax Lien**, invoked by the **Federal Department of the Treasury**, and filed against him, again, in Stafford County, VA, for **\$132,880.46**. This was for the tax year **2016**. *(Attached)*
- August 24, 2022, **Fred Wellman** received a **Fourth Tax Lien**, invoked by the **Federal Department of the Treasury**, and filed against him in St Louis County, MO, for **\$83,507.35**. This was for tax years **2017 and 2020**. *(Attached)*

Stipulated by **Fred Wellman's 2020 Chapter 7 Bankruptcy ruling**, Fred was required to attend, and complete, **remedial pre-filing credit counseling and post-filing debtor education**. Harvard's Kennedy School of Government, master's program, apparently does not include any money or tax management education.

Another important fact, **Fred hasn't filed his 2026 FEC required report** and has instead deferred its release until after the August 4th Primary Election. Is this an attempt to further conceal his financial history? *(Attached)*

Special note: In the State of Missouri it is disqualifying for a Candidate to have current State Tax Liens when running for a Missouri State Office. However, this is not so for a Federal Election.

The question for our voters is:

If Fred Wellman has decades of history of not being capable of managing his own finances, then why should ANYONE think he should go to Washington to manage OURS?!
