WEBSTER GROVES, Mo.—VonDras for Congress today announced that Missouri District 2 Congressional Candidate, Joan VonDras, has been chosen to join the Take BAC Congress PAC (BAC). Like VonDras, BAC’s mission is to restore balance of power and accountability to our government.

BAC supports a slate of Democrats, including candidates like VonDras, who have committed to passing five reforms:

1. Congressional Term Limits of 12 Years for House and Senate Members
2. Overturn *Citizens United*
3. Ban Congressional Stock Trading
4. 5-Year Lobbying Ban
5. Supreme Court Ethics

VonDras, who is running her campaign on voter and constituent feedback, aims to not only pass those five reforms, but to collaborate with other members of BAC while in office to:

1. Build Economic Opportunity for All
2. Return Our Schools to Educational Excellence
3. Provide Access to Affordable, Quality Healthcare
4. Ensure a Safe & Fair Food Supply for Everyone
5. Strengthen Our Representative Democracy
6. Make Representatives More Accessible
7. Break Through Partisan Gridlock

“It’s an honor to be included in such a passionate and driven group of representatives,” said VonDras. “I’m excited to continue on the campaign trail with BAC at my side. Together, we can make a brighter future, not just for the residents of Missouri District 2, but for everyone in our United States.”
